President's Message

Start with Rotary

November is the time when the entire Rotary world places an emphasis on the foundation. Last week DG Kirk summed it up when he asked "why" are we here.

Our giving allows us to do special local and international projects. This week we share the impact of the Wellstar Zero Suicide Initiative, a District Grant recipient, an update on global grants in Honduras and Panama, and some food for thought - why our giving should never stop.

This Week's Speaker

Cheryl Greenway, D6900 Foundation Chair

Cheryl Greenway is a Past President of our club, a Past District Governor and continues to serve District 6900 as the Foundation Chair. The Rotary International Foundation is consistently one of the highest rated organizations on Charity Navigators list and one of the best places to donate money if you want it to get to those in need.

As Club President, Cheryl led the club to the Best Club recognition as well as being individually awarded the District 6900 Sheffield Leadership Award. She is a Major Donor, Paul Harris Fellow Society Member, Bequest Society Member, a Will Watt Fellow and a Hue Thomas Fellow.

Cheryl feels blessed to be a second generation Rotarian. Her father was in the Roswell Rotary Club from the early 1960's until his death in 1991.
